### **Immigration Clearance Procedure for NON-EU Crew at Athens Airport** **(Applicable when NON EU crew arrive Athens Airport via a non-Schengen Airport)**

Please Inform your NON-EU joining crew (when they arrive in Athens via a non-Schengen Airport) to advise Immigration Officer (at the passport control check point) that they are seamen & that our Agency is aware of their arrival & has submitted all required documentation.

Crew's passport will be collected by Officer & will be sent to seamen office for clearance-stamping while crew will be requested to remain at the waiting area (along with other seamen).

An Agent will implement the seaman clearance procedure & will pick them up after 30-60 min (subject to the number of seamen arrived the same time).

In case crew will not be stopped at the passport check point, nobody will wait for them at the transit area, because Agents are obliged to wait at the Seamen Immigration Office. Therefore, if this happens crew should call our Agency, in order to direct them/advise them the meeting point accordingly.

In case a crew leaves from the airport without meeting the Port Agent (implementing this procedure), then will not be able to s/on to the vessel.

Time lapse of at least 3 hours between arrival & departure flight is required.

Transportation & hotel arrangements must be provided through our Agency.

Above procedure applies when NON-EU crew are scheduled to join a cruise vessel to all ports in Greece.
